**COMMENTS:**

This bill would require a state agency, upon request, to provide information to the Public Employees Retirement System (PERS) on employees who are not members of the system.

The April 2, 2008, amendments made changes to provisions relating to PERS responsibilities when severing a contract. These amendments do not impact the department's programs, operations, or costs. The department's analysis of the bill as amended March 24, 2008, still applies.
